

Conference Specials ex-Cairns

An unforgettable trip to paradise

Paradise is the Daintree Coast, where the rainforest meets the reef, so special that it combines two World Heritage areas. D'Arcy of Daintree 4WD Tours is an owner operator business based north of the Daintree River providing personalised tours with small groups (max 5) in a comfortable 8 seater Prado Landcruiser. Mike – The D'Arcy of the Daintree is an escapee from the South and a world traveller who got lured to the magic of the rainforest paradise a few years ago.

For the conference participants one and two day tours will be available from Cairns. Come and explore the rainforest and share Mike's passion for the fauna, flora and history of this 120 million old rainforest.

One Day tour - Daintree Coast and Up the Bloomfield Track. Available 26, 29 and 30 April

We'll go right up to the Bloomfield River and talk about the Bloomfield Blockade of 1983/84. After the ford crossing we reach the Wujal Wujal Waterfalls and stop by the new Indigenous Cultural Centre with crafts and coffee.
