

The magic of the Daintree Coast World Heritage Area: Where the rainforest meets the reef

This is a great opportunity to visit this unique part of the world with a true local guide, who lives in the Daintree and not only knows the rainforest but also the Bama (indigenous) and western history of the area. D'Arcy of Daintree is offering special 4WD tours ex-Cairns with 20% discount. With a maximum of 5 passengers in an 8 seater Toyota Prado, the tours are intimate and flexible to cater for individual preferences.

In the one day tour (available pre-conference on 26, and post on 29 and 30 April) Mike will take you on a drive north from Cairns along the most spectacular coastline in Australia, across the Daintree River ferry to the 120 million year old rainforest and then further up the Bloomfield track with views, water crossings, wildlife, wild plants, wild stories and a few stops along the way to enjoy a cuppa of our local Daintree tea. This Tour normally costs \$240 pp ex-Cairns, but with a 20% Conference discount, the cost is \$195. Minimum 4 pax.

If you want to immerse yourself further in the rainforest, the two day tour (1 and 2 May) includes a night at Gray's Farmstay in Cape Tribulation with exotic fruit breakfast, more sightseeing along the way, and the opportunity for extra activities like sea kayaking or a morning snorkelling on the reef. Conference price for this tour is \$295 pp (shared room, farm house) plus extra activities. Upgrades for own room, and de-luxe suite are available. Minimum 4 pax. 2 hours sea kayaking is \$60 pp and snorkelling at a magic spot on the Reef with Ocean Safari (7:30am to 12:45pm) is \$114 pp.
