General Practice Education and Training Convention 2010

WEDNESDAY 8 – THURSDAY 9 SEPTEMBER 2010 ALICE SPRINGS CONVENTION CENTRE

Australian Government

**General Practice Education
and Training Limited**

Welcome

On behalf of General Practice Education and Training Limited I take great pleasure in welcoming you to the 2010 General Practice Education and Training Convention. The GPET Convention continues to grow as a national medical education event for the Australian general practice community. The Convention brings together registrars, medical educators, supervisors, training providers, academics and key medical education organisations in a collegiate forum to share experiences and knowledge and to workshop solutions to address the challenges facing GP education and training in contemporary Australia.

This year's theme Clinical and Cultural Competence: Everybody's Business provides us with an exciting opportunity to learn from each other, to share the challenges faced and innovations implemented in the areas of Indigenous health training and vertical and horizontal integration; to showcase unique perspectives and methods of training; and to recognise the important role of the 'GP' within their community and the ever evolving patient-doctor relationship.

We welcome the unique experiences to be had in Alice Springs and the significant cultural elements this location brings to the Convention program. We recognise the necessity to learn from the history of the first Australians and to ensure the future of general practice is something that embraces the cultural diversity of our nation.

This year's Convention will incorporate new 'featured' sessions exploring the key areas underpinning the overall theme of the Convention, including Indigenous health training, vertical and horizontal integration of training and education, learning and teaching showcase and GPs within their communities. The program is full of workshops, paper presentations, and cultural field trips which aim to engage and inspire you. As always there will be an emphasis on professional development and audience interaction.

I encourage you to attend the 2010 Convention, to network with your colleagues, and to enjoy the experiences that only an event in Alice Springs can offer.

Alice Springs - the destination

The 2010 GPET Convention will be hosted at the Alice Springs Convention Centre, 93 Barrett Drive, Alice Springs 0871.

Alice Springs is located in the Northern Territory. Almost precisely in the geographical centre of Australia, it is a thriving, modern community of 28,000 Territorians. The tropic of Capricorn passes just 30km North of Alice Springs.

The original Alice Springs is a waterhole located 3km north of the present city and named after Alice Todd - wife of the Superintendent of Post and Telegraph, Sir Charles Todd. Located at the historic Telegraph Station, it is now a beautifully restored memorial dedicated to the pioneering spirit of the men who built the overland telegraph line from Adelaide to Darwin.

Since their arrival, Alice Springs has evolved into a modern Outback town, with all the creature comforts of a capital city. Alice Springs has everything you require, with international standard accommodation at all levels. There are plenty of shops, from air-conditioned plazas to unique boutiques. Restaurants vary from fast food chains to five-star dining.

This area is part of the territory of the Arrernte people and is known by the local names of Arrende, Yeperenye, or Mparntwe - and is connected with the Caterpillar Dreaming. The Aboriginal presence in Alice Springs is strong. Their 40,000 year old culture and spiritual connection to this region echoes in every rock and landmark. They preserve the timeless art, songs and rituals that connect humankind with Australia's legendary creation and pre history - The Dreamtime.

Keynote Speakers

Dr Peter Sutton

Dr Peter Sutton is an anthropologist and linguist who has worked with Aboriginal people since 1969. He speaks three Cape York languages and as an expert on Aboriginal land ownership has assisted with 50 land rights cases.

Peter has published more than 100 academic and other papers, mainly in the fields of Aboriginal land tenure, languages, art, and Indigenous policy. He has authored or edited 13 books, including *Native Title in Australia: an Ethnographic Perspective*, regarded as the most authoritative work in its field. His most recent work entitled *Politics of Suffering: Indigenous Australia and the end of the Liberal Consensus* and published in 2009, provides unique insight into Indigenous policy since the 1970s.

Peter is an Australian Research Council Professorial Fellow at the University of Adelaide and the South Australian Museum, and a Fellow of the Academy of the Social Sciences in Australia.

Dr Marlene Kong

Dr Marlene Kong grew up surrounded by an extended Aboriginal family (the Worimi people of Port Stephens), experiencing the struggles Aboriginal people face on a daily basis. An Indigenous woman aspiring to succeed in life, Marlene chose a career in medicine.

After completing her general practice training, mostly in Darwin and Lismore, Marlene obtained her Fellowship from the Royal Australian College of General Practitioners. She also holds a Family Planning Association certificate; a certificate in Early Management of Severe Trauma; a Diploma in Obstetrics and Gynaecology; and a Masters of Public Health in Jerusalem, Israel.

Marlene has worked in South Sudan and Sierra Leone in Africa as part of the humanitarian organisation - *Medecins Sans Frontieres*

During 2007-2009, Marlene was a Medical Officer for the Australian Indigenous Doctors Association (AIDA) in Canberra, where she worked in an advocacy role engaging with the Australian Government on Indigenous issues.

Today, Marlene is a locum GP, preferring to work in Aboriginal medical services all across Australia, she is based in the Hunter region of NSW.

Dr Tammy Kimpton

A Pallawa woman from the west coast of Tasmania, Dr Tammy Kimpton graduated from the University of Newcastle in 2003 and is currently a GP registrar and Secretary of the Australian Indigenous Doctors Association (AIDA) Board.

Since her commencement in the AGPT program, Tammy has been actively involved in promoting Aboriginal and/or Torres Strait Islander health training. As a registrar liaison officer, Tammy provides a point of contact between registrars and GPET. In November 2009, Tammy was elected to co-chair the GPET Aboriginal and/or Torres Strait Islander Health Training Advisory Group. As a founding member of the Indigenous GP Registrars Network, Tammy's contribution to AGPT has been considerable.

Tammy is also a mother of three young children and recently moved to Scone, NSW.

Professor Claire Jackson

Professor in General Practice and Primary Health Care and Head of Discipline, at the University of Queensland, Claire Jackson has been active in general practice, undergraduate and postgraduate education and research for many years. She has been extensively involved in health services research and reform since the early 1990s.

In 2009 she was appointed to the 12-member National Primary Care Strategy Expert Reference Group and provided a commissioned paper for the National Health and Hospitals Reform Commission on new models in primary care.

Claire's current area of research interest is in improved health system integration. Claire co-authored *Achieving Effective Health Care Integration – the Essential Guide* in 2000, a publication that has sold more than 1000 copies to date.

Claire has been involved in numerous educational, research and policy development projects at state and national level, including Health Connect, and the National GP/Hospital Demonstration Sites Program.

Claire is an active clinician in part-time general practice in Brisbane, and a member of the iSOFT Board (previously IBA Health).

Convention theme

The 2010 GPET Convention will have an overriding theme of **Clinical and Cultural Competence: Everybody's Business**.

There will be four sub-themes for this year's Convention:

Indigenous health training throughout Australia

Focusing on: Lessons learned from IHT that can be applied elsewhere in general practice including multidisciplinary care, cross-cultural training, community engagement, and driving policy change; how IHT is supported in regional training providers (RTPs) and communities; challenges in metropolitan IHT; and the importance of Indigenous knowledge and a two-way learning channel.

Vertical and horizontal integration

Focusing on: V&H integration in the practice setting; educational partnerships fostering integration and development; registrars as teachers; inter-professional learning; and RTP structure and support – where are they headed?

Learning and teaching showcase

Focusing on: Rural and remote training innovations; accepting different learning styles; capability-based training; how do you teach? Showcase your best workshop; college curriculum changes; and academic supervisors and registrars – paving the way for the future.

GPs within their community

Focusing on: The important balance between one-on-one patient care and community care; life-long learning and adapting; leadership – preparing for the needs of future communities; caring for the 'marginalised'; and GPs as people – storytelling.

QA and CPD/PDP points

The GPET Convention is submitting to the RACGP QA&CPD Program for Category 2 points; and to the ACRRM PDP program for accredited points in the 2008-2010. The outcome of this submission will be advised upon completion.

To have points applied for your attendance at the Convention, please provide your RACGP or ACRRM numbers in the Registration Form.

Convention objectives

The General Practice Education and Training Convention provides an annual national forum for those involved in education and training in general practice and rural medicine. The Convention aims to:

- Bring delegates together to focus on current and future opportunities and challenges in general practice vocational training
- Showcase innovation in medical education and training
- Provide opportunities for networking and cross-fertilisation of ideas
- Provide opportunities for GP trainers and educators to acquire skills from each other
- Provide an opportunity for the academic advancement of general practice training
- Cater to and welcome GP registrars and promote greater involvement of registrars in education and training
- Contribute to the development and promotion of general practice as the career of choice for future generations
- Develop solutions for the future needs of general practice training and promulgate them to the wider community.

Session abstracts

Abstracts for all keynote sessions, featured speaker sessions, workshops, paper presentations and posters, can be found on the Convention website. These abstracts will also be produced in the Convention Program Brochure, which will be included in delegate satchel packs.

Keep accessing the website for updates on the Convention program and social functions.

The Program Overview

The 2010 GPET Convention will be presented in a slightly different format than in previous years in order to make the most of the outback destination — Alice Springs.

As well as some incredibly exciting and unique social events, the 2010 program has more than 110 presenters participating within three keynote sessions, eight featured speaker sessions, 13 paper presentation sessions (each incorporating at least four 15-minute presentations), 40 workshop sessions, eight poster presentations PLUS eight offsite cultural learning tours over the two days of the Convention.

There will be an abundance of sessions to choose from! To assist delegates in selecting which sessions to attend, coloured target-audience codes (as nominated by the presenter) are applied to each workshop and paper sessions within the program.

Workshops

Participation in workshops is on a first-in first-served basis. There will be no pre-registering for workshops at the 2010 Convention. Once workshops have reached capacity—in most cases 30 delegates—the doors will be closed and delegates will be asked to find another session to attend. Only one workshop session is limited to less than 30 delegates and this information is noted within the program.

To accommodate the larger number of concurrent sessions late in the day on Wednesday and early morning Thursday, four workshops from Sessions 3A-3L and 4A-4L will be held in the Crowne Plaza Alice Springs, which is a short walk from the Alice Springs Convention Centre. These workshops will be identified in the final program and sufficient time has been allowed for walking between the two venues. A shuttle bus will be on hand to transfer delegates not wishing to walk.

Unplugged workshops

Another new feature of the 2010 program is the eight 'unplugged workshops', which are sessions held outside in the open air without technological support. Delegates will meet the unplugged presenter in the courtyard, in front of the amphitheatre, just outside the foyer of the Alice Springs Convention Centre, at the commencement of the session. The presenter will then escort the group to a pre-determined location for the session. The courtyard will be easy to find but if you require assistance, please direct your queries to the Registration Desk located in the foyer of the Convention Centre.

Yarn groups

The 2010 Convention program also sees the introduction of 'Yarn Groups', 15-minute networking opportunities held just prior to two catered breaks on each day. Yarn Groups are short unstructured sessions intended to provide delegates with an opportunity to network and discuss topics of interest raised during the Convention. Each delegate will be allocated to a yarn group and will be able to identify their group with an indicator on their name badge. More information on meeting areas will be provided at the Convention.

Delegates are encouraged to embrace these opportunities to speak, learn and share with colleagues at the Convention.

Cultural learning tours

A destination such as Alice Springs provides rare opportunities and to make the most of them we are pleased to offer four Bush Tucker Bush Medicine cultural learning tours as part of the Convention program. The tours to Alice Springs Desert Park, will run on both days of the Convention.

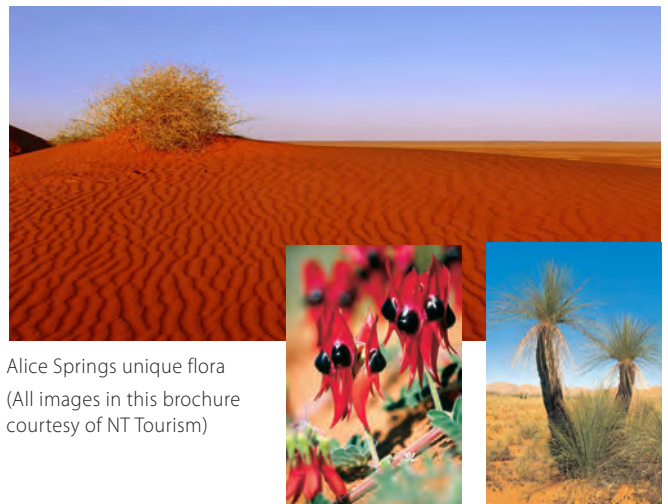

Bush Tucker Bush Medicine

During this tour through Alice Springs Desert Park, delegates will see and learn about the plants and animals that can be drawn on and consumed in order to survive. These resources have been the supermarket, the pharmacy and the hardware store to the Arrernte people. During the tour guests will learn how Aboriginal people use plants and animals for survival in this harsh desert climate.

REGISTER TO ATTEND

Delegates should indicate their preference to attend one of the Bush Tucker Bush Medicine tours through the online registration form. Delegates can only attend one tour during the Convention.

Please direct any queries to the conference organisers, On Q Conference Support on (02) 62883998 or by email to gpet@onqconferences.com.au

Visit Desert Park in Alice Springs

Desert Park Alice Springs is offering delegates to the GPET Convention a 20% discount on general entry and the Park's Nocturnal Tour.

The offer extends to one week prior and one week post-convention, for those delegates arriving early or choosing to stay on after the convention. The discounts can be redeemed on presentation of registration papers and/or your lanyard to the entry station of the park.

Desert Park is one of the 'must see' attractions for every visitor to Alice! In the space of just a few hours, you can discover many of the secrets of the Central Australian deserts at the Desert Park. Hundreds of species of plants and animals found across Central Australian deserts can be seen, smelt and heard. You will even have the opportunity to experience desert habitats as they are at night, seeing some of the animals near impossible to see in the wild.

The Trade Exhibition

The 2010 GPET Convention will host a number of companies within the exhibition area located in the Ghan Foyer of the Alice Springs Convention Centre. During the Convention, all lunches, morning and afternoon teas will be served within this exhibition area as will the Arrival Function scheduled for 1800 hrs on Tuesday, 7 September.

Exhibitors will be required to set up their booths on Tuesday afternoon, prior to 1700 hrs, to maximise their opportunities to mix with delegates attending the function.

Delegate satchels will also contain a 'Passport' listing all the exhibitors attending the Convention. Delegates are encouraged to visit every booth in the exhibit and have their passport stamped to be eligible to win a bottle of Grange!

The Trade Exhibition will be open from 0830 hrs through to 1700 hrs on Wednesday 8 September and 0830 hrs through to 1530 hrs on Thursday, 9 September.

There are still opportunities to showcase your organisation at the event. For more information call (02) 6288 3998 or visit the Convention website and download the Sponsorship and Exhibition Brochure - [click here](#).

REGISTRATION ENTITLEMENTS

Earlybird, Standard, Speaker and Registrar: Access to all sessions, morning tea, afternoon tea and lunch during the two days of the Convention, and a satchel including the final program and book of abstracts. Attendance at the Arrival Function and the 'Todd River Regatta and Telegraph Tucker' is also included.

Day Only Delegate: Access to sessions on the day specified, morning tea, afternoon tea and lunch for that day of the Convention and a satchel including the final program and book of abstracts. Day Registration **does not include** the Arrival Function and the 'Todd River Regatta and Telegraph Tucker'. Tickets are available for purchase for these events and for the Thursday night, 'Dinner Under the Stars at Ooraminna Station'. For prices, please refer to the Registration Form.

Dress

As there is no stipulation for business dress during the Convention, delegates may choose to wear comfortable, casual clothing. The Convention venue is air conditioned, so we do suggest wearing layered clothing during sessions.

Climate

Central Australia is a continental desert environment and has an arid climate with hot summers and cool winters. Spring occurs from September to November in Alice Springs. The nights can be quite cold and the days are crisp, cool and bright. Over winter clouds are a rare sight.

Photocopying at the Convention

Please ensure you bring a sufficient number of handouts for your session. GPET cannot be responsible for costs in relation to production of your handouts. If you require items to be photocopied at the Convention, this will be at your own cost and may be done through the venue reception.

Non-smoking policy

For the comfort of all delegates this Convention will be smoke-free.

Name badges

Name badges will be issued when registering at the Convention. For security purposes the Convention name badge must be worn at all times during the event.

Baby sitting

Please note: Due to OH&S requirements unfortunately children under the age of 16 are not permitted to attend evening dinner functions (with the exception of babies with nursing mothers). Please contact your chosen hotel to arrange baby sitting services if necessary. GPET appreciates your understanding concerning this matter.

Parking

Parking at the Convention Centre is free.

Registration desk

The registration desk will be located in the Ghan Foyer and will be open each day of the Convention from 0730 hrs.

PRIVACY STATEMENT

On Q Conference Support complies with the National Privacy Principles in the Privacy Act. We regard all information supplied by you as private information. Information provided on the registration form will only be used for the purpose of registering your attendance and to assist with the administration and planning of this and future GPET Conventions. Under no circumstances will On Q reveal, sell or distribute any personal information that is supplied, unless specifically authorised to do so. We reserve the right to distribute statistical information for reporting purposes only. No identifying information is distributed to third parties.

CONVENTION PAYMENT AND CONFIRMATION

Payment of your registration will ensure confirmation of your booking. Earlybird registration fees only apply if paid by 27 July 2010. Payment of ALL fees must accompany your registration form. On receipt of your payment, your registration will be acknowledged and a receipt/tax invoice issued.

REGISTRATION CANCELLATIONS AND REFUNDS

Any cancellations and/or changes must be made in writing and forwarded to the Convention Manager. Cancellations received before 30 July 2010 will receive a full refund less a \$90.00 cancellation fee. There will be no refunds for cancellations after this date. All refunds will be processed at the conclusion of the Convention. Substitute delegates are welcome. Please advise the name of the new delegate in writing to the Convention Manager.

ACCOMMODATION REFUND/ CANCELLATION

Any cancellations of accommodation must be made in writing to the Convention Manager by 30 July 2010. Any cancellation made after this date, will be accepted, however the deposit paid may not be refunded in all instances. This is hotel policy. Please note that if you provide credit card details and cancel after 30 July, the hotel is also entitled to deduct one night's accommodation in lieu.

INSURANCE

Registration fees do not include personal travel or health insurance of any kind. It is strongly recommended that when registering for the Convention and booking travel that delegates make arrangements for appropriate insurance cover. GPET and On Q Conference Support do not take responsibility for any delegate failing to take adequate insurance cover.

DISCLAIMER
